PROFESSIONAL PROFILE

German language trainer with telc Deutsch B1. I teach CEFR A1–A2 and help learners practise Goethe and telc exam formats. I design structured courses that build Sprechen, Hören, Lesen and Schreiben through daily conversation, grammar drills and regular proficiency checks. An M.Sc. Statistics gold medalist, I keep lessons clear, well-paced and easy to measure — so learners know what improved and what to practise next. Open to roles with language institutes, ed-tech platforms and corporate German training, on-site in Varanasi or online.
